Administration Executive

Dear Members,

I would like to thank all Members of the Club House for their immense support and co-operation during the MCGM Vaccination Drive which was opened in our Club Premises for Members of the Club House. I hope you must have taken advantage of the facility.

As you are aware that in the year 2020, Covid-19 Pandemic was at its highest peak and our members were running pillar to post in search of Vaccination. We approached the MCGM Authority and our hard work resulted by opening first Vaccination Centre outside the Government Premises at our Club House and this facility was commenced from 28th March, 2021. The Members and the other Beneficiaries were happy with the services rendered by the Club House in the Vaccination Centre with Air-Conditioning, Social Distancing, Packaged Drinking Water Bottle, Tea/Coffee & Biscuit being offered to them.

For your kind information, more than 25000 beneficiaries including Members have taken the advantage of Covishield Vaccine, 1336 Beneficiaries including Members have taken Covishield Booster Dose and 220 Children between 15 to 18 year of age have taken Covaxin Vaccine.

During the recent days it was found that number of people taking the advantage of Vaccination was decreasing so MCGM discontinued the Vaccination Centre at the Club House with effect from 10th March, 2022.

I once again thank all the Members for their continuous support and request Members and their Family Members to share your experience in writing (info@garwareclub.co.in) while taking advantage of the Vaccination in the MCGM Vaccination Centre at the Club House.

Thanking you,

Yours sincerely,

(Raj K. Purohit)
Hon. Vice-President.
