During the period of Water Scarcity, all the Facilities/Activities except Banquets & Room Services, were forced to be closed from 12th February, 2023, being no other alternative available. However, in order to keep the Club House Activities Live, the Management efficiently managed to deal with the scarcity of water by keeping Sports facilities functioning and Swaad Restaurant operative with Limited Dry Snacks from 14th February, 2023.

We regret the inconvenience caused to our esteemed members.

On behalf of the Members of the Managing Committee, we are thankful to all the members for their co-operation during this period.

Thanking you,

Yours sincerely,

(Raj K. Purohit)
